

16. SAFETY

STANDARD 16.1

The Washoe County Sheriff's Office (WCSO) DNA Section relies on the Washoe County Sheriff's Office Forensic Science Division Safety program for an environmental health and safety program. This program includes the following:

16.1.1 A bloodborne pathogen and chemical hygiene plan.

16.1.2 Documented training on the bloodborne pathogen and chemical hygiene plan.

STANDARD 16.2

The Washoe County Sheriff's Office Forensic Science Division Safety program including an environmental health and safety program shall be reviewed once each calendar year and such review shall be documented.
